

Acme Corp · Employee Handbook

Version 4.2 | Effective: January 1, 2024 | Acme Corp

1. Welcome to Acme Corp

Welcome to Acme Corp. Our mission is to build innovative products that make a meaningful difference for our customers. We believe that a diverse, engaged, and well-supported workforce is the foundation of everything we achieve. This handbook is your guide to working life at Acme Corp.

2. Onboarding

- Week 1: Company orientation, system setup, IT provisioning, meet your team
- Weeks 2-4: Role-specific training programme delivered by your line manager
- 30-day check-in: one-to-one with your HR Business Partner
- 90-day probation review: formal performance review with your line manager
- Buddy programme: you will be assigned an onboarding buddy for your first month

3. Probation Period

- Duration: 90 days for all new employees
- 60-day review: informal check-in with your line manager
- 90-day review: formal assessment · pass, extend, or not confirm employment
- Extension: probation may be extended by up to 30 days with HR Director approval
- Notice during probation: either party may terminate with 1 week's written notice

4. Working Hours

- Standard hours: 9:00 am · 5:00 pm, Monday to Friday (37.5 hours per week)
- Core hours: 10:00 am · 3:00 pm · all employees expected to be available
- Flexible working: available with manager agreement, subject to business needs
- Overtime: must be pre-approved by your manager; compensated at 1.5x your hourly rate
- Time off in lieu (TOIL): may be offered instead of overtime pay by

mutual agreement

5. Remote Work Policy

- Hybrid model: minimum 3 days in the office per week
- Remote work: maximum 2 days per week
- Home office equipment allowance: \$500 for new employees (one-time)
- Employees must be available and responsive during core hours when working remotely
- Remote work privileges may be reviewed if performance or collaboration is impacted

6. Performance Management

- Mid-year review: conducted each June · objectives review and development discussion
- Annual review: conducted each December · full performance assessment and salary review
- Performance Improvement Plan (PIP): 60-day structured improvement plan if required
- Promotions and level changes reviewed annually in December
- Continuous feedback encouraged via regular one-to-ones with your manager

7. Termination

- Notice period: 4 weeks written notice by either party (or as per employment contract)
- Payment in lieu of notice: may be offered at the company's discretion
- Final paycheck: processed within 5 business days of last working day
- Exit interview: conducted by HR within the final week of employment
- Return of equipment: all company property must be returned within 5 business days

8. IT and Equipment

- Laptop provided on your first day · configured by the IT team
- All company equipment must be returned within 5 business days of leaving
- Do not install unauthorised software on company devices
- IT Helpdesk: it@acmecorp.com | ext. 5000
